1912

Hillsboro High School came into existence in March, 1911, when the Board of Education of Little Levels District in a regular meeting passed an order establishing a district high school at Academy (now Hillsboro). At this same regular meeting, steps were taken for the holding of a district election to authorize a special levy of twenty cents on the hundred dollars' valuation for the purpose of purchasing suitable grounds and erecting a modern brick building. In this special election, held May 20, 1911, the citizens of the district decided by a large majority in favor of the levy. Much of the credit for the passage of this levy can be given to the efforts of Dr. H. W. McNeel and Mr. M. L. Beard, who were members of the Board of Education.

By the opening of school in September, 1912, a splendid new building stood complete and ready for occupancy by both grade and high school students. The first principal of the new high school was Mr. Chafe Wilson. He was succeeded by Miss Minnie Merrill. In the first graduating class, 1913, were Bertha Overholt and Charles Smith. The class of 1914 also had only two graduates: Dakota Kirk and Henry Beard.

The history of secondary education in the community, however, goes back much farther than the building described above. In 1834, a masonry one-room building with wings called the "Academy" was erected. To this school went many of the ancestors of the people now living in and around Hillsboro. This building was used until the early "eighties." Then it was deemed inadequate to meet the needs of the school, as many outside students from other counties were coming in. A larger frame building was erected on the corner of the two main streets. The teachers at the Academy were among the most learned and cultured persons of the times, and included relatives of Pearl S. Buck.

Hillsboro High School continued to grow after 1912 and increased beyond expectations. After viewing the crowded conditions, the Board of Education purchased adjacent land and erected a new graded school building in 1922 consisting of eight large classrooms and a four hundred fifty seat auditorium. The students of the elementary school and the high school were separated with the first eight grades occupying the new grade building. The 8-4 plan continued until 1947. At this time, the seventh and eighth grades were included with the four high school grades in a 6-6 plan, which continues at the present time.

The McNeel gymnasium was erected in 1938 and was dedicated in 1939 during the first basketball game with Hillsboro playing Green Bank. Dr. Winters McNeel, for whom the gymnasium was named, was the community physician and served on the Pocahontas County Board of Education. Mr. Frank Johnson was principal at this time. He served the high school from 1924 to 1945 and was responsible for planting most of the trees and shrubbery which have beautified the grounds.

The Vocational Agriculture program was re-established at the school in 1949. The building to house the department was completed in September, 1951.

The Hillsboro Band was organized in 1953 and has been under the instruction of Mrs. Frances Eskridge since 1955.

Hillsboro High School's library contains approximately 3,500 books geared to meet the student's needs. Records, maps, filmstrips, transparencies, and magazines are available to both instructor and student. The Pearl Buck shelf contains all of her books available, including the latest.

Athletics have always played an important part in the school. Several graduates have won recognition on the college level. Charley Hill set a record with the shot putt at West Virginia University. Alec McLaughlin became one of the state's best coaches. Sam Bartholomew played football at the University of Tennessee when they were considered national champions and played in the Rose Bowl his senior year.

The Hillsboro Alumni Association keeps active and accurate records of the graduates. Many of them have had distinguished careers in many lines of endeavor. The annual spring meeting of the association is often attended by as many as 200.

Mr. Charles Moore, Principal of Hillsboro High School from 1953 to the present date, has summarized the endeavor of the school in a recent yearbook in these words:

"When I consider that the graduates of Hillsboro High School will go into the world and possibly attempt to correct some of the evils confronting our modern civilization, it is my earnest hope that the education they have received here will help them to think and to judge carefully, objectively, inclusively, and reliably."

June 1970 brings to a close fifty-seven years of secondary education at Hillsboro High School. I have been associated with the school for the past twenty-three years, sixteen as principal of the high school. What wonderful experiences these years have held for me! Wonderful because I have had the opportunity to work with hundreds of children and people from all walks of life. I do not know what there is about the farms, hills, and mountains of Little Levels District, but they produce some of the finest children in the world. Working with them has been a privilege for me.

These years have been exciting and sometimes heartbreaking. It is my hope that I have helped to ease an ache or a pain, or have encouraged a teacher, or smiled at a child at the right time; so that no child can say, "He failed me", but rather, "He cared".

I appreciate the cooperation, patience, and understanding that teachers, superintendents, and school board members have had for me, and the self-examinations that parents have caused me to undergo.

One thing I have learned about school administration—place a child in the center of your thinking, sincerely and honestly, and you won't go wrong. You may go overboard occasionally, but never very far nor for very long.

I have no fear of tomorrow, for I believe there is a new light, a new vision, and a renewed emphasis for a better education on all levels of learning in our county. Our teachers are better prepared and certainly more knowledgeable than when I began to teach in 1938. The new consolidated high school will be able to offer a curriculum better geared to the needs of our modern society; therefore, our children from the Hillsboro school community will continue, as they have in the past, to become useful and distinguished citizens of that society.

Hillsboro over Green JV — Green Bank caught the Devils in their worst game to knock them from the unbeaten ranks last week. Coach Jerry Buzzard promises it won't happen again.

Hillsboro over Union — The Red Devils will take this one, Hillsboro that is. Union is winless and Hillsboro had dropped only two, the last two. They want to get back in the stream of wins.

Hillsboro over Circleville — In a big way. The Red Devils are going undefeated this season but have only eight games on their schedule, which will keep them a long way from the playoffs.

Hillsboro over Meadow Bridge — The Red Devils are experiencing one of their better seasons and should continue through the remainder of the slate.

Front row: L. Vaughan, Wade, Lamb, D. Moore, Wilsong, D. Vaughan, Fowler, Workman, B. Moore. Second row: Coach Buzzard, Hefner, McKeever, A. Hickman, C. Hickman, Birchfield, Dennis Vaughan, Clutter, Dean, Dearfield, T. Hill, J. Hill.

Hillsboro over Green Bank — If the Red Devils are to lose this season, this game will be it. A cross-country rivalry that can go to either team.

Hillsboro High goes after its fifth triumph when the Red Devils play host to Green Bank

in a game that should be a real head-knocker. It is the only day-game on the schedule, starting at 1:30 p.m.

Only two football teams remain undefeated in the area as the grid season approaches the sixth game for most high school squads. The unbeaten clubs are Montgomery, (5-0) and Hillsboro, (4-0).

The Greyhounds of Montgomery will go against the Mt. Hope Mustangs tonight while Hillsboro hosts Green Bank.

Gail Auldrige
Class of 1924

(Gail Auldrige—1924)

In the fall of 1924 Gail began working toward a degree in agriculture at West Virginia University. Due to illness his graduation was delayed. In 1929 he received a B.S. degree in Agriculture. After graduation from W.V.U. he taught Vo-Ag. for 16 years in the following West Virginia High Schools: Burnsville, Basin Jr. High, Herndon, Oceana, Wadestown, and Trap Hill.

In July 1945, he resigned from teaching to begin work with the Southern Soil Conservation District. He worked for the SCS more than 21 years. Most of this time was spent in Summers County in the Hinton Office. Two years was spent in the Lewisburg Office. Most of the work had to do with planning farms for better soil conservation practices. He retired from the Soil Conservation Service in December 1966. After three weeks of retirement he was persuaded to go back to teaching Vo-Ag. to help fill the teacher shortage in agriculture. He was at Shady Spring High School for one and one half years, at Sandstone High School one year. He is now teaching at Greenbrier East High School.

Gail is married to the former Lora Hale McGregor. They have three daughters, Carolyn Jane, the oldest, is a Major in the U.S. Marine Corps. Sandra Lee is married to Major Glen Higgins of the U.S. Army. They have two sons, Mike and Doug. Ann, the youngest, is married to George Drew Rolston, a law student at Ohio State University. Hillsboro High School 1925

By Dolly Kennison Elligson.

Where frothy fogs fall down the mountains,
Where lilac mist hangs on the hills,
Where dew shimmers bright on the meadows,
When sunlight bursts and spills,
Our forefathers founded my home town,
And tonight through my memories' eye,
I'm viewing long ago people,
A church with a steeple, and time tested Hillsboro High
Where faculty ruled with parents consent,
As students came, and students went.

So across misty memories threshold,
My class mates come trooping tonight.
After forty odd years, I can still hear their cheers,
They look charmingly youthful, and bright.
No bald heads among them—no hair that has faded,
No spectacles—dentures, nor countenance jaded.
None look too paunchy, rheumatic or fat,
Slouchy, or grouchy. No, none look like that!
For they look as they then looked,
In the glow of youths drive, my long ago class mates o

Still dreaming, I glance in the mirror,
How it jars me, that image I see!
In this spell I'm under, I wonder and wonder
If my classmates could know that I'm me!
Since our diverse destinies have swept us afar,
Still, God bless, and keep them, where ever they are.
Now here's to the new school, and long may she last!
For the old school belongs to the nostalgic past.

HILLSBORO ALL AMERICAN MAN

(Taken from "The West Virginia News" Sept. 23, 1933)

The playing of football in Hillsboro dates back to the beginning of the school in 1912-1913. The beginning of inter-scholastic games came a few years later and up until the time of the World War the school missed only a few years of being represented by a football team. During this time the school was represented by such athletes as Glen Callison, later coach at Shenandoah College. Other players at this time were the Long Brothers, Ross and Abe Hufford. Ross later became a second all-American end while playing with Pennsylvania State and had the privilege of playing in a Rose Bowl game. Many others not mentioned have made names for themselves. During the war football was dropped, a number of the athletes have joined the Army.

After the war, football was revived and with the exception of a few years Hillsboro has had a team representing the school. During the years since 1919, many outstanding players have performed, such as the Warren boys, Claude was later recognized by the nation as an outstanding player on the D. & E. Scarlet Hurricane. Henry Rogers, Alexander and Andrew McLaughlin (Alexander is of New River State College and Andrew is of Shenandoah.) Following on down we have had the Grimes brothers, the Burr brothers, Joe Kramer, Frances Hook, Tom Alderman, Bruffey, Sanford Kirk, Fred Burr and Paul Smith. This is a partial list of outstanding men that have taken part in the games at Hillsboro. We come down now to the present season where we place hopes that one or two of our present men will surpass any other athletes of the school.

Fred Burr, a member of the class of 1932, won first place in the shot put, discus throw, and the javelin at the sectional track meet at Greenbrier Military School during his senior year. During his junior year he won the hammer throw the last year it was legal in W. Va. high schools. Mr. Burr participated in two state track meets.

CLASS SONG

"ONE MORE SONG"

No longer in our classes,
They'll gather day by day,
No longer lads and lasses,
They'll walk the self-same way,
Another duty calls them
A wider path awaits
And they must leave these portals,
These dear familiar gates.

Chorus

Join in one more song together
Join with all your heart,
Time has cut the classmates tether,
We must drift apart;
Come, a store of mem'ry bringing
From the happy past;
One more song together singing,
One more song, the last.

No more the morning greeting
Of comrades tried and true,
No more the daily meeting
Our problems to renew,
They're stepping out together,
But as they pass the door,
They take to varied path-ways,
They walk as one no more.

Chorus

Yet other earnest faces
Will shine where theirs have shone,
These dear familiar places,
Shall not be left alone;
For year by year untiring,
Our Alma Mater true.
Will send her loyal children
The world's new work to do.

Chorus

CLASS HISTORY

Our Freshman class consisted of forty-two members.

Our class motto "A winner never quits, a quitter never wins" was suggested by our home room teacher Mr. William Smith. We retained it through our Senior year and it seems a good one to always remember.

There were many occurrences prevented from being chronicled here due to lack of space—fortunately, for some—regrettably for others.

Seven members of the Greenbrier Valley Conference Championship Football Team were members of our class.

Coach Alex McLaughlin's training rules were: No smoking, no drinking, no sweets or soda pop, bedtime—10:00 P.M. The team reached top physical condition losing only four games in four years.

During Sophomore and Junior years we were active in setting out trees which make our campus so beautiful.

Remembered with pleasure—Miss Elizabeth Clark's Biology Class, like to High Rocks, April 21, 1934, and Senior Class trip to Washington D. C., first week in June, 1936.

Due to various circumstances we lost some of our members, but there were twenty-seven Seniors in the graduating class. This was the largest graduating class to that date, and for several years following.

1980 Just Looking Around 1980

The last time we saw our old school chums was at the graduation party in 1970. It is now 1980. As I travel around the world a lot in my line of work, I decided to take a traveling vacation and find all of my fellow alumni.

My first stop was in Miami at a night club called the "El Gomach", where Harold Atkins the proprietor, was coaching his new bartender, Richard Fowler, in the correct method of mixing grain alcohol with white lightning "to give an added punch". The trim sexy hostess, Sylvia Pratt, said a cool "hello" and led me to a table. As I sipped my mullen bomb, I watched Dan Rivers and John Hill dip and sway at the latest exotic dances. Their salary at Harold's is a cool thousand per week. Judy Statoff smilingly accepted the applause of the diners as she lit the famous French dessert, "Creme Flambé".

Running to make the jet plane to Reno, I hailed a passing taxi-cab. Elmer Tincher opened the door and said, "Get in boy". Elmer informed me that he had just bought the cab company from Larry Simmons, the transportation millionaire.

Needless to say Elmer got me there on time. As I boarded the jet, Carolyn Tincher, the stewardess, showed me to my seat. Soon, the voice of the pilot, Don McNeil, came over the inter-com. "Hold on, we'll make it", he said. We did. Reno came into view. I visited Dennis Vaughn's, "Cooper Penny Casino," as it is known. Sandy Bruffy, his stud dealer, recommended that I deposit my winnings at Charles Stark's bank. He informed me that our old friend Jimmy Heiner was now a professor at the university where Buddy Moore is president.

I discovered that Jane Calhoun, who is now a nurse, and Barbara Pratt run the "Happy Hours Rest Home", where the beloved teachers of HHS now reside. Next, I visited Linda Hill, a member of the Peace Corp, in Africa. She took me on a nature hunt as we gazed close into the wild African bush where I met Tommy Workman who is trying to become the modern day Tarzan. Wait till Johnny Weismiller gets hold of him!

Next, I made a journey way back into the hills of West Virginia where Bill Kestiner is busy making "Moonshine." Vaughn Radcliff his assistant and co-driver helps him make his run down Thunder Road 219 every night. Lena Gilkerson and Bessie Roberts are the county's "revenuers". They are really two of the above mentioned that's best customers.

Rose Shoe now owns the Dandy Mountain Dragway where she is also top eliminator. Brenda Rose is the custodian of the State Park in the same place.

Grace Watson owns and operates the "Ritzie Hotel" in New York City. Berrie Hickman operates the elevator there. She took Brenda Pratt to the top floor the other day and when she turned to ask her if the ride was too fast, Brenda replied, "Oh No! I always wear my skirt around my ankles."
